Dear Jamie,

The Technology Policy Institute will host its annual summer Aspen Forum on August 15-17 at the St. Regis Hotel in Aspen, Colorado. It is our pleasure to invite you to participate.

This year's theme is "How is Tech Reshaping the Post-Covid World?" As a result, we anticipate this being among the most important and provocative TPI Forums to date. We will cover privacy, competition, digital divides, the government's role in promoting science and technology, broadband and spectrum regulation, conflicts with China, and much more.

The TPI Forum sets the stage for a wide range of policy debates in Washington in the fall and winter Congressional sessions. Nobel Laureates, tech sector titans, commissioners from U.S. and international agencies, congressional staffers, top academics, and industry leaders routinely attend—often year after year.

We hope you can join us. Please contact us if we can be helpful in any way. We hope to see you in Aspen.

Best Regards,

Scott Wallsten, Ph.D.
